

Delegates from Korea visited the ICFAI University Sikkim campus – Nov 15, 2018

It was a proud moment for our university as delegates from Korea visited the ICFAI University Sikkim campus today along with Mr. Hemant Swarop from The Trade Office, Embassy of the Republic of Korea and PCE-cum – Secretary of Water Security & PHED – Mr. Sonam Dadul Bhutia and Additional Chief Engineer-(North/East) Mr. Praveen Kumar Pradhan.

The Korean delegates were here in Sikkim to meet Hon'ble Chief Minister, Shri. Pawan Chamling in regard to State's development work specially issues related to parking. The Vice- Chancellor Dr. Jagannath Patnaik discussed with them opportunities regarding cross cultural student exchange programs which would give Sikkim students a chance to explore Korean culture and education system. It would similarly give Korean students an opportunity to explore the culture, language, and tradition of Sikkim/India.

The visit ended with a round of interactive a session with one of the Korean delegate Mr. Don I. B. Jang, with the faculty members of the University. His message was to remove our limits and love our self-first in order to be able to love others.
