We are thrilled to announce that two of our dedicated NSS Volunteers Ms Tshering Yangden Lachungpa of ICFAI University and Master Karan Subba of B.Ed College Soreng, have achieved the incredible feat of marching down Kartavya Path, New Delhi, as part of the NSS Contingent during the 77th Republic Day Parade!

Representing the spirit of "Not Me, But You" on the national stage is a dream for many, and these two have made it a reality through their hard work, discipline, and commitment.

You haven't just represented your college; you've represented the youth and spirit of our state. Well done 👍
