

Report on National Youth Day Event at Bharat Mandapam, New Delhi

Date: 23rd January 2025

Bharat Mandapam was hosted in Delhi from 10th to 12th Jan, 2025, a celebration of National Youth Day in alignment with the vision of Viksit Bharat @2047. The event, titled Young Leader Dialogue Program, saw participation from over 10,000 students from state Out of this competitive pool, only 21 students from the state successfully cleared multiple screening rounds to present their innovative ideas and initiatives for India's development through PPT presentations.

02 students and 1 administrative staff had the privilege of participating in this prestigious event.

1. Amisha Tiwari (B.Com, 1st Semester)
2. Bishal Barman (BBA)
3. Kritika Bhujel (Admission Counselor)

The Honorable Prime Minister Narendra Modi Ji graced the event and interacted with the youth, listening to their insightful ideas for building a sustainable and developed India.

The event also featured eminent personalities, including:

- Palki Sharma (Leading Journalist)
- Anand Mahindra (Director, Mahindra Group)
- Ms. Meeta Rajivlochan (Secretary, Youth and Sports Affairs)
- Dr. Mansukh Mandaviya (Minister of Youth and Sports Affairs)
- Yatin Bhaskar Duggal (Viksit Bharat Leadership Council)
- Naresh Chettri (National Youth Parliament Awardee)
- Romala Ram (Dogri Folk Artist)
- Dr. S. Somanath (Chairman, ISRO)

These distinguished speakers inspired the attendees, emphasizing the pivotal role of youth in achieving India's developmental goals.

The event offered an excellent platform for young minds to interact with national leaders and experts, inspiring them to take proactive roles in India's progress. The learning experience of being selected and participating in such a prestigious event will undoubtedly have a lasting impact, as it empowered the youth to take initiatives and contribute to the vision of Viksit Bharat @2047.

This enriching event was a testament to the transformative power of youth leadership, with contributions from participants like those from The ICAI University playing a significant role in advancing the nation's progress.
