NOTICE

Registration on the University's Alumni Platform for Final Year Students and Alumni

This is to inform all final year students and the Alumni that the University has launched a dedicated Alumni Registration Platform to strengthen and maintain lasting connections between current students and our esteemed alumni.

A well-connected alumni network is a powerful resource. It provides opportunities for:

- Mentorship and career guidance from successful alumni
- Internships and job referrals through alumni connections
- Professional networking across diverse industries
- Collaborative opportunities and knowledge exchange

All final year students are required to register themselves by visiting the following link:
<https://iusikkim.edu.in/alumnisite>

We also encourage our alumni to register and contribute to the community by sharing their experiences and supporting upcoming graduates.

For any queries or assistance, please contact the Mr. Tara Sharma, Assistant Professor, School of Management Studies at alumnicell@iusikkim.edu.in

Important: Students must ensure that all details entered during registration are complete and accurate, as this information will form the basis of future alumni interactions and communications.

30/4/25
Dr. Rohit Rath
Registrar
