

DR. MANISH JOSHI'S VISIT TO THE ICFAI UNIVERSITY, SIKKIM

The University Grants Commission Secretary, Dr. Manish R Joshi, recently paid a visit to ICFAI University Sikkim on the 30th of June. During his visit, he had the opportunity to interact with both the esteemed faculty members and the brilliant students.

Dr. Joshi took the chance to shed light on the various beneficial schemes offered by the UGC. He advised the faculty members to gear up for the era of new generation teaching, emphasizing the importance of adopting innovative techniques and incorporating research in their teaching methods. Furthermore, he encouraged the students to embrace their inventive sides and bring forth their ideas to the university for potential incubation.

To facilitate better understanding and collaboration, Dr. Joshi engaged in a question and answer session with both the faculty and the students. Witnessing the remarkable progress of ICFAI University, he left the audience impressed. As a result, he stressed the significance of emphasizing research and development within the institution.

In light of Dr. Manish R Joshi's visit, it is evident that the ICFAI University, Sikkim is moving in the right direction. With a formal tone, the visit was instrumental in promoting the concept of research and innovation, both among the faculty and the students, ensuring a brighter future for all.
