

STPI WORKSHOP ON NEXT GENERATION INCUBATION SCHEME

The ICAI University, Sikkim, played host to a dynamic and informative workshop on the "Next Generation Incubation Scheme (NGIS)" organized by the Software Technology Parks of India (STPI) on November 22, 2023. The workshop served as a platform for students to delve into the intricacies of NGIS, exploring the latest developments and opportunities within the incubation ecosystem. Facilitated by experts from STPI, students gained valuable insights into fostering innovation, supporting startups, and nurturing entrepreneurial ventures. The event showcased the commitment of The ICAI University to providing a conducive environment for learning and staying abreast of industry trends. The NGIS workshop was a significant step towards

empowering students with knowledge and resources to thrive in the evolving landscape of technology and entrepreneurship.
