

SENSITIZATION LECTURE ON ENVIRONMENTAL SCIENCE AND TECHNOLOGY FOR SUSTAINABLE DEVELOPMENT

The ICFAI University, Sikkim hosted a Sensitization Lecture on Environment Science and Technology for Sustainable Development as part of the C-20 India 2023 on May 1, 2023. The event was graced by the presence of eminent personalities from the field of environmental science and technology.

The keynote speaker for the event was Dr. Markandey Rai, Hon'ble National Chancellor, GPDSA, and Chairperson Foreign Affairs Committee of ARSP, who delivered a thought-provoking lecture on the importance of sustainable development and the role of technology in achieving it. Dr. Rai emphasized the need for a collective effort from all stakeholders to protect the environment and achieve sustainable development.
