

Awareness Drive on EVM was conducted at IUS campus by the Sikkim State Election Commission, Govt. of Sikkim.

The Sikkim State Election Commission, Government of Sikkim has conducted an awareness drive on Electronic Voting Machines at The ICFAI University Sikkim campus on 14th February 2024. This drive was to enlighten the students about the features, security, and mechanism of EVMs, the way of casting vote and how to make sure that the vote has been casted properly. The State Legislative Assembly and Lok Sabha elections are round the corner and its imperative that the new voters are aware of the process of casting their valuable votes.

The officials from Sikkim State Election Commission were assisted by the faculties and other staff of The ICFAI University Sikkim.
