The University is a member of the Association of Indian Universities, New Delhi, Member of Association of Commonwealth Universities, UK, United Nations Global Compact and ECOSOC.

About the Conference

The International Conference on Interdisciplinary Studies: Bridging Knowledge for Tomorrow is a premier academic event designed to foster dialogue, innovation, and collaboration across diverse knowledge domains. In today's rapidly evolving world, the boundaries between disciplines are increasingly fluid, and solutions to societal, technological, environmental, and economic challenges demand integrated perspectives. This conference provides a platform for scholars, researchers, and practitioners to explore these convergences and present cutting-edge research that transcends conventional academic silos.

The central theme emphasizes the importance of rethinking traditional frameworks and embracing interdisciplinary approaches to address emerging global issues. The event invites contributions from various fields - Management, Social Sciences, Science & Technology, Law, Humanities, Education, AI & Data Science, Environment, and Public Policy - highlighting how cross-disciplinary thinking can drive innovation and sustainable development.

Call for Papers

The conference invites submissions of research papers, case studies, conceptual papers, review articles, and interdisciplinary innovations in fields such as:

- Management & Commerce
- Social Sciences & Humanities
- Law & Governance
- Science & Technology
- Education & Psychology
- Artificial Intelligence & Data Science
- Environmental Studies
- Public Policy

Key Highlights

- Hybrid presentation modes (Online/Offline)
